

Monster XP® Clear Jacket - Compact Speaker Cable

Advanced speaker cable for hookup of speakers to stereo and home theatre systems. Monster XP's compact design makes it ideal for high-performance installations where space is at a premium.

- Magnetic Flux Tube® construction and special cable windings for natural music reproduction.
- Impressive clarity, bass response and dynamic range in a compact design.
- Special LPE insulation reduces signal loss and distortion.
- MiniSpools offer convenient merchandising options.
