## DLC-HEM30 3m mini HDMI® cable

Connect your camera or camcorder to any HD or 3D TV

3m, HDMI® 1.4, for use with bloggie™, Handycam and Alpha, Ethernet channel

*This product is a previous model, however it may still be available to buy.*

- Full HD 1080 content via one cable
- Use with bloggie™, Handycam and Alpha
- High-speed data transfer

## Features **DLC-HEM30**

- **HDMI® 1.4** - Easily handles video resolutions of 1080p and beyond, including 3D, as well as HD surround sound
  - **Mini connector** - Easily connect your digital imaging devices, with a neat mini-size connector
  - **Ethernet channel** - Perfect for device networking and IP-based applications, with transfer speeds of up to 100Mbps
  - **Audio return channel** - Simplifies the audio connection between your TV and AV receiver, and helps cut out extra cable clutter
  - **High quality components** - Triple layer shielding reduces EM and RF interference, 24K gold plated connectors provide added durability
  - **More colour spaces** - Enables your HDTV to reproduce the rich, natural and lifelike colours captured on a digital still camera
  - **New product packaging** - See at-a-glance the HDMI® rating, cable type, which devices it supports and how to connect them at home
  - **Voltage** - 5.0V
-
