

N-rit 308G6W 3LED Cap Light Super Bright

The G6 is ultra lightweight, compact, water resistant and engineered to withstand extreme conditions and use. The G6 is powered by 2 lithium coin cell batteries for anywhere from 70 to 160 hours of ultra bright light from 3 LED bulbs with 100,000+ hours of burn time each. 2-different mode, mode-1 has a center ultra bright light, mode-2 has 3 ultra bright lights. It attaches to a cap brim for the most practical, hands-free ultra bright light source available. There are so many uses for the N-rit cap light in and around the house as well as outdoors that you'll never want to be without it. It's perfect for Walking, Camping, Fishing, Hiking, Hunting, Home Improvement Projects, Walking the Dog, Working in the car, or anytime you need ultra bright light but need to keep your hands free.
