

技術參數			
製造商	IPS	包裝	Tape & Reel (TR)/Cut Tape (CT)/Tray/Tube
RoHs Status	Lead free/RoHS Compliant	封裝/規格	TO-220F

The FTAD04N60D parts manufactured by IPS are available for purchase at Jotrin Electronics. Here you can find various types and values of electronic parts from the world's leading manufacturers. The FTAD04N60D components of Jotrin Electronics are carefully chosen, undergo stringent quality control, and are successfully meet all required standards.

The production status marked on Jotrin.com is for

reference only. If you didn't find what you were looking for, you can get more valuable information by emails, such as the FTA04N60D Inventory quantity, preferential price, datasheet, and manufacturer. We are always happy to hear from you, so feel free to contact us.

The FTA040015A is AC/DC CONVERTER 15V 40W, that includes FTA040 Series, they are designed to operate with a Open Frame Type, it has an Operating Temperature range of 0°C ~ 70°C, that offers Mounting Type features such as Chassis Mount, Features is designed to work in Universal Input, as well as the 4.00" L x 2.00" W x 0.99" H (101.6mm x 50.8mm x 25.2mm) Size Dimension, the device can also be used as ITE (Commercial) Applications. In addition, the Power Watts is 40W, the device is offered in 100 ~ 240 VAC Voltage Input, the device has a 1 of Number of Outputs, and Current Output Max is 2.7A, and the Voltage Output 1 is 15V, and Efficiency is 0.88.

The FTA040024A is AC/DC CONVERTER 24V 40W, that includes 24V Voltage Output 1, they are designed to operate with a 100 ~ 240 VAC Voltage Input, Type is shown on datasheet note for use in a Open Frame, that offers Size Dimension features such as 4.00" L x 2.00" W x

0.99" H (101.6mm x 50.8mm x 25.2mm), Series is designed to work in FTA040, as well as the 40W Power Watts, it has an Operating Temperature range of 0°C ~ 70°C. In addition, the Number of Outputs is 1, the device is offered in Chassis Mount Mounting Type, the device has a Universal Input of Features, and Efficiency is 0.87, and the Current Output Max is 1.6A, and Applications is ITE (Commercial).

FTA04N60C with circuit diagram manufactured by IPS. The FTA04N60C is available in TO-220F Package, is part of the IC Chips.
